RESOLUTIONS FROM BISHOP COLLEGE.

In the midst of life we are in the midst of death also. Today we come forth with high hopes and ambition to do and to make our influence felt in the world; but to tomorrow comes and sweeps away all our hopes and all of our ambitions and that we most cherish death claims all that we most cherish in life; and he who has his hopes built on nothing less than Jesus' blood and righteousness is sustained at every point because he knows in whom he believeth that he is able to keep that which he has entrusted to him against that day.

It is this constant change that causes us to stop today, pause in the general routine of our labors to pay homage to one who has recently walked with us, talked with us, and prepared herself to render higher service for mankind by recently graduating from the academic department of Bishop College.

Miss Alberta Allen. "WHEREAS, it has pleased Almighty God in his wise providence to call from time to eternity our beloved friend and student and; "WHEREAS, in her school life, she was honest, sincere, and true to all that humanity holds dear, and "WHEREAS, during her three years' stay at Bishop College, she endeared herself to all the students

and teachers alike by her devotedness to duty, good deportment and Christian character, therefore

"BE IT RESOLVED, that we bow in humble recognition of Divine power and wisdom that is so far above man's thoughts and man's wisdom that we dare not question Him who holdeth the destiny of nations in His hands.

"RESOLVE, that we tender our heartfelt sympathy to the bereaved family who feels the shock so keenly and because it came so suddenly and we urge them to cast all of their cares and burdens upon the Lord who will uphold and sustain them. Be it further

"RESOLVED, that these resolutions be sent to the bereaved family and a copy be sent to the Dallas Express and a copy placed upon our College record."

Respectfully submitted for Bishop College.
